Westermo

Industrial Routing Switch

■ Global approval for hazardous areas and maritime usage

- · IECEx. International EX standard
- ATEX 2014/34/FU. FU directive
- DNV and GL approved
- Designed for demanding Edge Network applications
 - 19 ports including 3 gigabit ports
 - · Advanced WeOS layer 3 functionality
 - Low power consumption DC supply
- **Ⅲ** Robust for long service life
 - 379.000 hours MTBF to MIL-HDBK-217K
 - -40 to +70 °C without ventilation holes
 - · Industrial and trackside type tested
- Unique future proof industrial networking solutions
 - · Simple web configuration with professional CLI
 - Network IP Security and remote access
 - Multiple network resilience solutions

EN 61000-6-1

EN 50121-4

EN 61000-6-3

EN 61000-6-4 Industrial Emission

The Redfox EX is designed for use in heavy duty industrial applications in its robust aluminium housing. Its wide power range and I/O fault contact make it ideal for easy installation and monitoring in industrial applications.

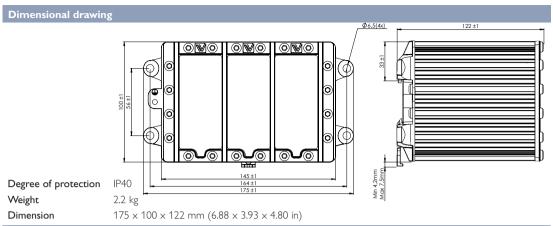

Only industrial grade components are used which gives the Redfox EX an MTBF of 379,000 hours and ensures a long service life. A wide operating temperature range -40 to +70 °C (-40 to +158 °F) can be achieved with no moving parts or cooling holes in the case. Redfox EX has been tested both by Westermo and external test houses to meet many EMC, isolation, vibration and shock standards, all to the highest levels suitable for heavy industrial environments and rail trackside application.

WeOS has been developed by Westermo to allow us to offer cross platform and future proof solutions. WeOS can deliver unique IP security functionality for this class of product, for instance a Multiport DMZ can be constructed by utilising the internal port based firewall function. Remote secure access to a network can be provided using encrypted VPNs. For more WeOS functionality please see the WeOS datasheet.

Ordering Information	
Art.no	Description
3641-5100	RFI-219-T3G-EX, Industrial routing switch

Specifications RFI-219-T3G-EX

Power	
Operating voltage	16 to 60 VDC
Rated current	0.63 (0.79*) A @ 20 VDC 0.26 (0.33*) A @ 48 VDC

* With 500mA USB load

Interfaces	
Console	1 x USB Micro-B connector
USB	1 x USB 2.0 host interface
Digital I/O	1 x 4-ports detachable screw terminal
Ethernet	3 x 10/100/1000 Mbit/s, Ethernet TX, RJ-45 16 x 10/100 Mbit/s, Ethernet TX, RJ-45

Temperature	
Operating	−40 to +70 °C (−40 to +158 °F)
Storage & Transport	−50 to +85° C (−58 to +185 °F)
Maximum surface temperature	135 °C (275 °F) (temperature class T4)

Agency approvals and standards compliance
